

Process to collect art with LenArt
For the collectors

1. Choose your art piece in an art gallery or at an Artist Studio of your choice.
2. Get your quote on LenArt website following this link :<https://www.lenart.be/simulator>
3. You will receive your quote by email with 2 links: One for the business collectors: bit.ly/3KxVdjM and One for the private collectors : bit.ly/3LzcKtd
4. After choosing business or collector, you will arrive on our our financial partner page, Mozzeno to start your credit process.
5. On our financial partner page you will have to re-introduce the price of your piece as well as the period you chose, as well as all of your informations.
6. Once your file has been introduced, LenArt will receive the positive or negative answer from our financial partner. You as well.
7. If the answer is positive, send us back the contract downloaded here signed on: info@lenart.be
8. LenArt will pay the art piece to the gallery or the artist studio after you have been delivered the piece and after signing the delivery document provided by our financial partner.
9. As a collector acquiring the art piece through installment payment, you would receive the complete ownership of your piece at the end of your payment. After the full payment of your piece to our financial partner, you will get the ownership of your art piece by receiving the certificate of authenticity from the Galley or LenArt.
